

Driving Directions to Eden Prairie Center – Shopping Mall

IMPORTANT NOTICE: Effective July 14, 2008, former US-212, which runs past Eden Prairie Center, is signed and known only as FLYING CLOUD DRIVE (between Valley View Road in the city of Eden Prairie and Engler Boulevard in the city of Chaska) and known only as CHASKA BOULEVARD (between Engler Boulevard in the city of Chaska and County Road 147 in the city of Carver).

July 14, 2008, marked the grand opening of the new US-212, an 11-mile stretch of new highway that runs between the city of Eden Prairie (at State Hwy 62 / Crosstown) and the city of Carver (at County Road 147 near the area where old US-212 meets new US-212).

Thank you for choosing Eden Prairie Center, a favorite shopping, family entertainment and dining destination. We are located in Eden Prairie at 8251 Flying Cloud Drive (zip code 55344), which is just south of the intersection of I-494 and Flying Cloud Drive.

Several routes are outlined below.

Once in this business district of the city of Eden Prairie, motorists may find it helpful to follow the 2-way city streets of Prairie Center Drive and Valley View Road which form a 4.0 mile “loop” and encircle several businesses in this shopping area, including Eden Prairie Center.

Prairie Center Drive forms a two-way “horseshoe loop” around the east, south and west perimeter of the “loop”, while Valley View Road connects the “loop” on the northern perimeter stretch of this road system.

For reference, Cub Foods is inside the eastern side of this “loop”. Eden Prairie Center is inside the southern circle of this “loop”. Bachman’s Floral and Garden Center is inside the western side of this “loop”. Home Depot is located at the northwest corner of this “loop” at Prairie Center Drive and Valley View Road. First Western Bank & Trust is inside the northeast corner of this “loop” at Prairie Center Drive and Valley View Road.

Flying Cloud Drive (*old US-212*) runs north and south as a spine through the middle of this business district.
